

## Success

Elvis Costello

### Verse

**D**

We used to go out walkin hand in hand

**A**

**G**

**D**

You told me all the big things you had planned

**D**

It wasn't long till all your dreams came true

**A**

**G**

**D**

Success put me in second place with you

### Chorus

**G**

**D**

You have no time to love me any-more

**A**

**G**

**D**

Since fame & fortune knocked upon our door

**G**

**D**

I spend all my evenings all a-lone

**A**

**G**

**D**

Success has made a failure of our home

### Verse

If we could spend an evening now & then

Perhaps we'd find true happiness again

You never hold me like you used to do

It's funny what success has done for you

### Chorus

You have no time to love me anymore

Since fame & fortune knocked upon our door

I spend all my evenings all alone

Success has made a failure of our home
