

**Success**

**Elvis Costello**

Verse

**D**

We used to go out walkin hand in hand

**A**

**G**

**D**

You told me all the big things you had planned

**D**

It wasn't long till all your dreams came true

**A**

**G**

**D**

Success put me in second place with you

Chorus

**G**

**D**

You have no time to love me any-more

**A**

**G**

**D**

Since fame & fortune knocked upon our door

**G**

**D**

I spend all my evenings all a-lone

**A**

**G**

**D**

Success has made a failure of our home

Verse

If we could spend an evening now & then

Perhaps we'd find true happiness again

You never hold me like you used to do

It's funny what success has done for you

Chorus

You have no time to love me anymore

Since fame & fortune knocked upon our door

I spend all my evenings all alone

Success has made a failure of our home
