

Thats Not The Part Of Him Youre Leaving
Elvis Costello

THAT S NOT THE PART OF HIM YOU RE LEAVING

D
I have a friend
She s just a friend
.....**G**
I tried to comfort and defend
.....**D**
I gave her what you might call advice
.....**E**.....**A**
But nothing like that comes without a price
.....**D**
The rumour was a cruel surprise
.....**G**
And she dissolved before my eyes
.....**G/F#**.....**Em**
I offered my hand and hers and mine entwined
.....**A**
.....**D**
I thought about back then when I wished that she had been mine

.....**G**.....**G/F#**.....**Em**
There s no use in shedding any tears
.....**D**.....
He s no good to you the way he is
G.....**G/F#**.....**Em**.....**A7**
He s beyond forgiving and believing
.....**D**
Half of his heart is torn like paper
.....**G**.....**G/F#**.....**Em**
It s sweet as the syrup from the maple
.....**A**.....**D**
But that s not the part of him you re leaving
