This House Is Empty Now Elvis Costello

This House Is Empty Now

Cm7 Eb/F

These rooms play tricks upon you

Gm9/Bb

Remember when they were always filled with laughter?

Cm7 Eb/F

D/C

Dsus4

But now they re quite deserted

Gm9/BbDsus4 D/C

They seem to just echo voices raised in anger

Ebmaj7

Maybe you will see my face

Cm9 Fsus F

Reflected there on the pane

E Ebmaj7

In the window of our poor

Forlorn and broken home

Eb/F F Bbmaj7/D

Still this house is empty now

Eb/F

There s nothing I can do

Bbmaj7/D

To make you want to stay

(B9)

So tell me how

Gm9/Bb

Am I supposed to live without you?

These walls were lined with pictures Remember the glass we charged in celebration? But now I fill my life up With all that I can to deaden this sensation

Do you recognize the face Fixed in that fine silver frame Were you really so unhappy then? You never said

So this house is empty now There s nothing I can do To make you want to stay So tell me how Am I supposed to live without you? Cm9 Eb/F Bbmaj7/D

Oh, if I could just become forgetful

D7 Gm7

When night seems endless

Gm7/F Em7b5

Does the extinguished candle care

G/A

About the darkness?

It s funny how my mem ry Will bring you so close then make you disappear

Meanwhile all our friends must choose Who they will favour, who they will lose Hang the garland high or close the door And throw away the key

This house is empty now
There s no one living here
You have to care about
This house is empty now
There s nothing I can do
To make you want to stay
So tell me how
Am I supposed to live without you?

This house is empty now
There s no one living here
You have to care about
This house is empty now
There s nothing I can do
To make you want to stay
So tell me how
Am I supposed to live without you?
