

Allison

Elvis Presley

Oh it s so funny to be seeing you after so long girl  
and the way you look I understand that you were not impressed  
but I heard you let that little friend of mine  
Take off your party dress

I m not going to get too sentimental  
like those other sticky valentines  
Because I don t know if you ve been loving somebody  
I only know it isn t mine

CHORUS

Allison  
I know this world is killing you  
Allison  
My aim is true

REPEAT SECOND TIME TO FINISH

So I see you you ve got a husband now  
You leave your little fingers lying in the wedding cake  
You used to hold him right in your hand  
But it took more than he could take.  
Sometimes I wish that I could STOP you from talking  
when I hear the silly things that you say  
I think somebody better turn out the big light  
Because I can t stand to see you this way.
