I wonder if you are lonesome tonight
You know someone said that the world is a stage
C# C#7
And you must play a part
F#
Fate had me playing in love with you as my sweetheart
G#

Act one was when I met you, I loved you at first glance

You read your line so cleverly and never missed a cue

Honey, you lied when you said you loved me

Eb

And I had no cause to doubt you

G#

But I d rather go on hearing your lies

G#7

Than go on living without you

Now the stage is bare and I m standing there

With emptiness all around
