

As Long As I Have You  
Elvis Presley

**Eb Cm**  
Let the stars fade and fall  
**Ab Bb**  
And I won't care at all  
**Fm7 Bb Eb**  
As long as I have you

**Eb Cm**  
Every kiss brings a thrill  
**Ab Bb**  
And I know that it will  
**Fm7 Bb Eb**  
As long as I have you

**Eb7 Ab Gm**  
Let's think of the future  
**Cm**  
Forget the past  
**Cm7 F7**  
You're not my first love  
**Bb7**  
But you're my last  
**Eb Cm**  
Take the love that I bring  
**Ab Bb**  
Then I'll have everything  
**Fm7 Bb Eb**  
As long as I have you

**Eb7 Ab Gm**  
Let's think of the future  
**Cm**  
Forget the past  
**Cm7 F7**  
You're not my first love  
**Bb7**  
But you're my last  
**Eb Cm**  
Take the love that I bring  
**Ab Bb**  
Then I'll have everything  
**Fm7 Bb Eb**  
As long as I have you  
**Fm7 Bb Eb**  
As long, as long as I have you
