

Bitter They Are, Harder They Fall
Elvis Presley

Bb5 **Bb5** **Eb5**
I told her to leave me alone

Bb5 **F5**
That s what she s done, just what she s done

Bb5 **Bb5** **Eb5**
And a house built for two, ain t a home

Bb5 **F5**
When it s lived in by one, one lonely one

Eb5 **Eb5** **Eb5** **Bb5** **Ab5** **Eb5**
And I can no longer hear footsteps, come right down the hall

Bb5 **F5** **Bb5**
Here come the teardrops, bitter they are, harder they fall

Bb5 **Bb5** **Eb5** **Bb5** **Eb5** **Bb5**
She caught me lying, then she caught a train

C5 **C5** **C5** **C5** **Ab5** **C5** **F5**
And I caught a fever walking home in the rain

Oh yeah!

Bb5
But it s over and I m done

Bb5 **Eb5** **Bb5** **Eb5**
She left me once and for all

Bb5 **F5** **Bb5** **Bb5** **Eb5**
Here come the teardrops, bitter they are, harder they fall

Bb5 **F5** **Eb5** **Bb5**
Here come the teardrops, bitter they are, harder they fall..
