Cross My Heart And Hope To Die
Elvis Presley

Intro: **Db Eb   Db Eb**

```
    Db   Eb
    I can explain about last night
    Db   Eb
    Though things didn t look just right
      Ab
    Please believe me there was nothing wrong
    Db   Eb
    I thought about you baby all night long
                   Bb              Ab
    Cross my heart, I hope to die
    G    Gb                        Eb
    Wel--l I wouldn t tell you no lie, mmm

    Db   Eb
    Talk about a piece of rotten luck
    Db   Eb
    You do a friend a favor and you wind up stuck
      Ab
    She couldn t hold a candle to you, no siree
    Db   Eb
    Very hard to handle like a Model T
                 Bb              Ab
    Cross my heart, I hope to die
    G    Gb                      Eb
    Wel--l I wouldn t tell you no lie, mmm

      Ab
    Please believe me when I say
   Eb
    Wild horses couldn t drag me away
      Ab
    From you  cause I don t have to look too hard
        Bb
    To see what I ve got in my own back yard
    Db   Eb
    So please forgive me and forget
    Db   Eb
    Don t say my alloy s all wet (?)
        Ab
    I miss those kisses from your honeycomb
    Db   Eb
    This humble bumble bee just wants to fly back home
                 Bb              Ab
    Cross my heart, I hope to die
    G    Gb                        Eb
```

Wel--l I wouldn t tell you no lie, mmm
