Danny
Elvis Presley

```
   F       Bb7   F         C7
   Danny is my name oh yes

   (Tacet)            F
   My name should be trouble
 A7                    Dm
   My name should be woe
 F7                   Bb
   For trouble and heartache
 C7             F
   Is all that I know
       C7      (Tacet) Bb7   (Tacet) F      Bb  F
   But Danny, yes,    Danny is my   name, oh, yes

   C7                    F
   My life has been empty
 A7                   Dm
   My heart has been torn
 F7                   Bb
   It must have been raining
 C7               F
   The night I was born
       C7      (Tacet) Bb7   (Tacet) F      Bb  F
   Oh Danny, yes     Danny is my   name, oh, yes

         C7
   I m so afraid of tomorrow
   F
   So tired of today
          E7
   They say that love is the answer
       Am         G7      C7  (Tacet)
   But love never came my way

                 F
   I m writing a letter
 A7              Dm
   To someone unknow
 F7                   Bb
   So if you should find it
 C7                 F
   And if you re alone
       C7      (Tacet) Bb7   (Tacet) F      Bb  F
   Well Danny, yes,    Danny is my   name, oh, yes
```
