

**Don't Leave Me Now**  
**Elvis Presley**

Don t leave me [C]now, now [C7]that I [F]need you.

How blue and [G7] lonely I d be, if you should say [G7+]we re [C]through.[C#dim7  
]

[G7]Don t break my [C]heart, this [C7]heart that [F]loves you.

There d just be [G7]nothing for me, if you should leave me [C]now.[F7][C]

[C]What good is [F]dreaming, if I must dream all a[C]lone [F7]by my[C]self.

Without you [D7]darlin , my dreams would just gather [G7]dust like a book on a  
shelf.

Come fill these [C]arms, that [C7]long to [F]hold you.

Don t close your [G7]eyes to my plea, oh don t you leave me [C]now.[F7][C]
