Down in the alley, oh baby gee

I wake you now and dig you later
cause you re a fine sweet potato
We ll have a ball and that ain t all
Down in the alley, just you and me

The clock is striking a mournful sound
This time of evening my love comes down
That s when I m missin your kind of kissin
Down in the alley, that s where I ll be

Down in the alley, we sure have fun
We just get started bout half past one
So if you re round just come on down
Down in the alley and you will see
