Down in the alley, oh baby gee

I wake you now and dig you later

cause you re a fine sweet potato

We ll have a ball and that ain t all

Down in the alley, just you and me

The clock is striking a mournful sound

This time of evening my love comes down

That s when I m missin your kind of kissin

Down in the alley, that s where I ll be

Down in the alley, we sure have fun

We just get started bout half past one

So if you re round just come on down

Down in the alley and you will see
