Flaming Star
Elvis Presley

Tune guitar 1/2 step down
(Or standard tuning and play in the key of Eb).
Intro: **D** **Bm**

    D   **Bm**
    Ev ry man, has a flaming star
      Bm   **G**
    A flaming star, over his shoulder
             D   **Bm**
    And when a man, sees his flaming star
               Em   **D**
    He knows his time, his time has come

    D   **Bm**
    Flaming star, don t shine on me, flaming star
    D   **Bm**
    Flaming star, keep behind me, flaming star
            Em
    There s a lot of livin I ve got to do
        Em
    Give me time to make a few dreams come true
        Bm
    Flaming star

    When I ride, I feel that flaming star
    That flaming star, over my shoulder
    And so I ride, front of that flaming star
    Never lookin around, never lookin around
    Flaming star, don t shine on me, flaming star
    Flaming star, keep behind me, flaming star
    There s a lot of livin I ve got to do
    Give me time to make a few dreams come true
    Flaming star
    One fine day, I ll see that flaming star
    That flaming star, over my shoulder
    And when I see, that old flaming star
    I ll know my time, my time has come
    Flaming star, don t shine on me, flaming star
    Flaming star, keep behind me, flaming star
    There s a lot of livin I ve got to do
    Give me time to make a few dreams come true
    Flaming star
