(B) (A-B) (E)

Ain t it funny how time slips away

How s your new love Hope that he s doing fine
I heard you told him that you ll love till the end of times
You know that s the same thing that you told me
Seems like just the other day, ain t it funny.....

I gotta go now guess I ll see you around
Don t know when though Never know when I ll be back in town
But I remember When that I told you that in time you re gonna be OK
Ain t it funny how time slips away (2x)
