

Girl Of Mine
Elvis Presley

A **E**
When your asleep beside me, I watch you lying there
A
Your hand upon the pillow and moonlight in your hair
A7 **D**
I get the warmest feeling, so good I almost cry
Dm **A** **E** **A**
I kiss your sleeping lips and say I ll love you till I die
A7M
Oh girl of mine you make my day
A7 **D** **D4** **D**
One sunny smile and all the clouds just roll away
Dm **A** **E**
Eyes deep as the sea seem to say to me

Our love will always be
E7 **A** **A7M**
So girl of mine turn out the light
A7 **D**
And in my arms together we ll make sweet love tonight
Dm **A** **E**
Down life s golden road and you ll always know
A
I love you ... girl of mine
A **E**
Sometimes I know I hurt you when things ain t goin right
A
I walk away and leave you to face the lonely night
A7 **D**
I wouldn t blame you darlin if you walked out on me
Dm **A** **E** **A**
But I return to find you there still waiting patiently
A7M
Oh girl of mine you make my day
A7 **D** **D4** **D**
One sunny smile and all the clouds just roll away
Dm **A** **E**
Eyes deep as the sea seem to say to me

Our love will always be
E7 **A** **A7M**
So girl of mine turn out the light
A7 **D**
And in my arms together we ll make sweet love tonight
Dm **A** **E**
Down life s golden road and you ll always know
A

I love you ... girl of mine
