Lord, help me walk another mile... just one more mile

A A D

I m tired of walking all alone

D D A

Lord, help me smile another smile... just one more smile

A A D

I know, I just can t make it, on my own

G D
I never thought I needed help before
A D
I thought that I could do things by myself
G D
Now I know I just can't take it anymore

Come down from your golden throne to me, lonely me
I need to feel the touch of your tender hand
Remove the chains of darkness and let me see, Lord, let me see
Just where I fit into your master plan.
