

I Slipped I Stumbled I Fell
Elvis Presley

E

I look at you and wham, I m head over heels

I guess that love is a banana peel

A

I feel so bad and yet I m feeling so well

B B

I slipped, I stumbled, I fell

One crazy kiss and bam, I head for the skies

I guess that love is like a cake of ice

You skate along but then you can never tell

I slipped, I stumbled, I fell

A

I never thought I d get tricked

By you sweet talking lies

E

You ve got a bag of tricks

A

And when you got busy

I got dazzled and dizzy

B B

BBB

I fell like a ton of bricks

E

My knees are weak, my head is spinning around

I guess that love has turned me upside down

A

Thought I d get hurt, but gee,

it s turning out swell

I slipped, I stumbled, I fell
