

I'll Be Home On Christmas Day
Elvis Presley

(moderately slow)

E Esus E Esus

E E7
From the hills of Georgia

A
Across the plains of Tennessee

B
I ve seen and I ve done most everything

E
That a man can do or see

E7
But if I could only borrow

A
One dream from yesterday

B
I d be on that train tomorrow

E
I ll be home on Christmas day

E E7
It s been so many times before

A
She left that candle burning

B
Oh, too many tears have fell

E
My soul filled with yearning

E E7
If I had any sense at all

A
I d just be on my way

B
I d be on that train tomorrow

E
I ll be home on Christmas day

E E7
Every time I think about her

A
All the love I left behind

B
And memories still linger

E

In my troubled mind

E7

If I could set aside my pride

A

Then I'd be on my way

B

I'd catch that train tomorrow

E

I'll be home on Christmas day
