

I'm Yours

Elvis Presley

My love I offer to you now, my heart and all it can give,
For just as long as I live, I m yours.

No arms but yours, dear, will do, my lips will always be true,
my eyes can see only you, I m yours.

And as the years roll along,
your joy, your tears I ll gladly share,
and when things go wrong, dear,
just hold out your hand and I ll be there.

With every beat of my heart, with every breath that I take,
now and forever, sweetheart, I m yours.

And as the years roll along,
your joy, your tears I ll gladly share,
and when things go wrong, dear,
just hold out your hand and I ll be there.

With every beat of my heart, with every breath that I take,
now and forever, sweetheart I m yours.
