

In Your Arms

Elvis Presley

Oh, oh, the (G) way that I feel tonight, you better (C) wrap me up good and tight (G)

In your (D7) arms

In your (G)arms (C7) (G)

Just like a bee in a honey comb, I m gonna make myself right at home

In your (D7) arms

In your (G)arms (C7) (G)

Well, it (C) don t take much to keep me satisfied

Just a (G) little bit of lovin that s bonnafide

In your (am) arms keep me tangled up all the time

Just like a (D7) kitten with a ball of twine

Yeah baby that s where I want to stay, for the rest of my natural days

In your arms

in your arms
