

Its Only Love
Elvis Presley

D **G**
I see the sunlight in her hair
A7 **D**
I feel the warm smile that she wears
G
She has no recipe for love
A7 **D**
But I just can t get enough

G
From the distance of my mind
A7 **D**
A clock that s ringing says it s time
G
Wake up to my destiny
A7 **D**
It s time to face reality

It s only love that I feel inside
G **D**
But I ll get by somehow

It s only love
G **A7**
There must be something else for me girl

D **G**
I tell myself that it s not real
A7 **D**
There s nothing left for me to feel
G
I ll just be going on my way
A7 **D**
Tomorrow brings another day

It s only love only love that I feel inside
G
But I ve got to be strong my mind s made up
D
It s only love but I know I ll get by
G **A7** **G**
Take my heart and my pride and just throw it aside
D
It s only love
