

My Baby Left Me
Elvis Presley

Yes my (E)baby left me, never said a word.
Was it (E)something I done, something that she heard?
My baby (A7)left me, my baby left me.
My baby (B7)even left me, never said a (E)word.

Now I (E)stand at my window, wring my hands and cry.
I hate to (E)lose that woman, hate to say goodbye.
You know she (A7)left me, yes, she left me.
My baby (B7)even left me, never said a (E)word.

Baby, (E)one of these mornings, Lord, it won t be long,
You ll (E)look for me and, Baby, and daddy he ll be gone.
You know you (A7)left me, you know you left me.
My baby (B7)even left me, never said a (E)word.

Now, I (E)stand at my window, wring my hands and moan.
All I (E)know is that the one I love is gone.
My baby (A7)left me, you know she left me.
My baby (B7)even left me, never said a (E)word.
