My Baby Left Me Elvis Presley

Yes my (**E**)baby left me, never said a word. Was it (**E**)something I done, something that she heard? My baby (**A7**)left me, my baby left me. My baby (**B7**)even left me, never said a (**E**)word.

Now I (E)stand at my window, wring my hands and cry. I hate to (E)lose that woman, hate to say goodbye. You know she (A7)left me, yes, she left me. My baby (B7)even left me, never said a (E)word.

Baby, (E)one of these mornings, Lord, it won t be long, You ll (E)look for me and, Baby, and daddy he ll be gone. You know you (A7)left me, you know you left me. My baby (B7)even left me, never said a (E)word.

Now, I (E)stand at my window, wring my hands and moan. All I (E)know is that the one I love is gone. My baby (A7)left me, you know she left me. My baby (B7)even left me, never said a (E)word.
