A feeling warm and smooth and fine

All I could do were stand there paralyzed

When we kissed, ooh what a thrill

You took my hand and, ooh baby, what a chill

I felt like grabbin you real tight

Squeeze and squeeze with all my might

But all I could do were stand there paralyzed

**G**

**D**

Oh yeah lucky me, I m singing every day

**G**

Ever since that day you came my way

**G**
