

**Rags To Riches**  
**Elvis Presley**

**C** **F**  
I know I d go from rags to riches  
**G** **C**  
If you would only say you cared,  
**Am** **F**  
And though my pockets may be empty,  
**G** **C - C7**  
I d be a millionaire,

(verse 2)

**C** **F**  
My clothes may still be torn and tattered,  
**G** **C**  
But in my heart I d be a king,  
**Am** **F**  
Your love is all that ever mattered,  
**G** **G7**  
It s everything,

**C** **F**  
I know I d go from rags to riches  
**G** **C**  
If you would only say you cared,  
**Am** **F**  
And though my pockets may be empty,  
**G** **C - C7**  
I d be a millionaire,

(verse 2)

**C** **F**  
So open your arms and you ll open the door  
**G** **C**  
To all the treasure that I m living for  
**Am** **G** **C**  
Hold me and kiss me and tell me you re mine evermore

**C** **F**  
I know I d go from rags to riches  
**G** **C**  
If you would only say you cared,  
**Am** **F**  
And though my pockets may be empty,  
**G** **C - C7**  
I d be a millionaire,

**C** **F**  
Must I forever stay a beggar,

**C**

**F**

Whose golden dreams will not come true,

**Am**

**F**

Or will I go from rags to riches,

**G**

**C - C7**

My fate is up to you,
