C

D

A

D

Great God Almighty (you must come in at the door)

Oh well, He s high (so high you can t get over Him)

He s wide (so wide you can t get around Him)

So low (so low you can t get under him)

The mighty lamb (you must come in at the door)

D

Well I went down in the valley

A

You know I did over there ever stay

D

G

My soul got happy in the valley

D

A

D

You know I stayed right there all day

Well, He s high (so high you can t get over Him)

And he s wide (so wide you can t get around Him)

I know he s so low (so low you can t get under him)

The mighty lamb (you must come in at the door)

Well I ain t been to heaven but I m, I m told

The streets the streets are pearls

You know the mighty mighty

Mighty gates are gold

And He s high (so high you can t get over Him)

So wide (so wide you can t get around Him)

He s so low (so low you can t get under him)

The mighty lamb (you must come in at the door)

Well, He s high (so high you can t get over Him)

And he s wide (so wide you can t get around Him)

I know he s so low (so low you can t get under him)

The mighty lamb (you must come in at the door)
