Starting Today
Elvis Presley

```
   Intro:  G#
              C#      F#
   Starting today
                   C#
   I m teaching my heart
                 G#
   Not to ache anymore
                      C#
   Just  cause we re apart

   (tacet)        C#      F#
   No more will I dream
                      C#
   Of your sweet loving ways
                 C#          G#
   Gonna learn to forget you
            C#     F#   C#
   Starting today

                   F#
   And when memories haunt me
                    C#
   And the tears starts to flow
                         G#        D#
   I ll just think of the sorrow
                  G#
   You caused me to know

   (tacet)        C#      F#
   No more for the past
                    C#
   To return will I pray
                    C#      G#
   Gonna live for tomorrow
            C#     F#   C#
   Starting today
   C#    G#   C#
   F#        C#
   Starting today
