

Such a Night
Elvis Presley

Standard tuning.

E

It was a night oo-oo what a night

B7

It really was such a night

B7

The moon was bright oh how so bright

E

It really was such a night

E

B7

The night was alight with stars above

B7

Oo-oo when she kissed me

E

I had to fall in love

Oh it was a kiss oo-oo what a kiss

It really was such a kiss

Oh how she could kiss oh what a kiss

It really was such a kiss

Just the thought of her lips

Sets me afire

I reminisce and I'm filled with desire

E

B7

But I'd gave my heart to her in sweet surrender

E (Tacet)

How well I remember, I'll always remember

Oh, what a night oo-oo what a night

It really was such a night

Came the dawn and my heart and her love

And the night was gone

But I'll never forget the kiss

The kiss in the moonlight

Oo-oo such a kiss, such a night

It was a night oo-oo what a night

It really was such a night

Came the dawn and my heart and her love

And the night was gone

But I'll never forget the kiss

The kiss in the moonlight

How well I remember, I'll always remember

That night oo-oo what a night

It really was such a night
When we kissed I had to fall in love
But I'd gave my heart to her in sweet surrender
How well I remember, I'll always remember

Oh that night oo-oo what a night
It really was such a night
When we kissed I had to fall in love
Well she s gone, gone, gone
Yes she s gone, gone, gone
Came the dawn, dawn, dawn
And my love was gone
But before that dawn
Yes before that dawn and before that dawn
Oo-oo, oo-oo, oo-oo, oo-oo, oo-oo
Such a night
