

Surrender

Elvis Presley

Am Dm
When we kiss my heart s on fire
Am Dm
Burning with a strange desire
Am E7
And I know, each time I kiss you
Am A
That your heart s on fire too
D E7
So, my darling, please surrender
A
All your love so warm and tender
D E7
Let me hold you in my arms, dear
A
While the moon shines bright above
D C#7
All the stars will tell the story
F#m D
Of our love and all its glory
Am E7
Let us take this night of magic
Am A
And make it a night of love
D E7
Won t you please surrender to me
A Dm
Your lips, your arms, your heart, dear
Am E7
Be mine forever
Am
Be mine tonight
