If you re looking for trouble **C**
You came to the right place **C**
If you re looking for trouble **C**
Just look right in my face **C**
I was born standing up **C**
And talking back **C7**
My daddy was a green-eyed mountain jack **F** **C**
Because I m evil, my middle name is misery **G7** **F** **C**
Well I m evil, so don t you mess around with me **C**
I ve never looked for trouble **C**
But I ve never ran **C**
I don t take no orders **C**
From no kind of man **C**
I m only made out **C**
Of flesh, blood and bone **C**
But if you re gonna start a rumble **C7**
Don t you try it on alone **F** **C**
Because I m evil, my middle name is misery **C** **G7** **C**
Well I m evil, so don t you mess around with me **C**
I m evil, evil, evil, as can be **C**
I m evil, evil, evil, as can be **G7** **C** **G7**
So don t mess around don t mess around don t mess around with me **C**

I m evil, I m evil, evil, evil
