

Talk About The Good Times
Elvis Presley

C **F**
Well I remember when I was just a children

C **G**
The time the people used to treat their neighbors like a fellow man

C **F**
And all their singin and big prayer meetin s

C **G** **C** **C7**
When a man was proud to walk up and shake on his neighbors hand

F
Oh you talk about the good times

C
Talk about the good times

D7 **G**
Oh if you ever needed help a friend was there

F **C**
Some good neighbor help lift your burden

G **C**
Hmm, and the simple joys of life a friend would share

C **F**
Times are harder and the people are changin

C **G**
Now most folks couldn t tell ya who their neighbors are

C **F**
All the guns are loaded the front doors are bolted

C **G** **C** **C7**
Ain t this old world takin hate and fear just a little too far

F
Oh you talk about the good times

C

D7 **G**
I wish I could go back to the days I m speakin of

F **C**
When a friend would meet you and a smile would greet you

G **C**
What this old world needs now is a little old fashioned love

C **F**
My granddaddy God rest his soul now

C **G**
Well we had a big long talk together the day he died

C **F**
Said son this world is so full of hate and venom

C **G** **C**

And I can t wait to leave this ol place and rest on the other side
