

There's Always Me
Elvis Presley

(intro) **Dm G**

When the evening shadows fall **C**

And you're wondering who to call, **Dm**

For a little company there's always me. **G C**

If your great romance should end, **C**

And you're lonesome for a friend, **Dm**

Darling, your need never be, there's always me. **G C Fm C**

I don't seem to mind somehow **C7 F D7**
C G C playing second fiddle now,

G **G** **D**

Someday you'll want me dear, **G G7** and when that day is here.

Within my arms you'll come to know, **C**

Other loves may come and go, **Dm**

But my love for you will be eternally, **G E A**

Look around and you will see **Dm G C** there's always me.
