

Thrill Of Your Love
Elvis Presley

Verse:

G
I have wished for the wealth
C **G**
Of a great millionaire
A7 **D7**
I have reached for a bright star above
G
But the thrill of it all
C **G**
To me seems so small
D7 **G** **C G**
When compared to the thrill of your love

Chorus:

C
I d rather give everything
G
That I own in this world
A7 **D7**
Than to be all alone and unloved
G **C** **G**
For no earthly price and no sacrifice
D7
Is too much to give
G **C G**
For your love

(Repeat chorus)
