

**Thrill Of Your Love**  
**Elvis Presley**

Verse:

**G**  
I have wished for the wealth  
**C** **G**  
Of a great millionaire  
**A7** **D7**  
I have reached for a bright star above  
**G**  
But the thrill of it all  
**C** **G**  
To me seems so small  
**D7** **G** **C G**  
When compared to the thrill of your love

Chorus:

**C**  
I d rather give everything  
**G**  
That I own in this world  
**A7** **D7**  
Than to be all alone and unloved  
**G** **C** **G**  
For no earthly price and no sacrifice  
**D7**  
Is too much to give  
**G** **C G**  
For your love

(Repeat chorus)
