

Tryin To Get To You
Elvis Presley

I ve been travling over mountains

Even through the valley s too

Tacet **A**

I ve been travling night and day

B7

I ve been running all the way

E

Baby, trying to get to you

(same chords progression)

Ever since I read your letter

Where you said you loved me true

I ve been travling night and day

I ve been running all the way

Baby, trying to get to you

[Verse 2]

E7 **A**

When I read your loving letter

E

Then my heart began to sing

A

There were many miles between us

B7 Tacet

But they didn t mean a thing.

(same chords progression)

I just had to reach you baby

In spite of all you put me through

I ve been traveling night and day

I ve been running all the way

Baby, trying to get to you

[Verse 3]

(same as verse 2)

If I had to do it over

That s exactly what I d do

And I d travel night and day
And I d still run all the way
Baby trying to get to you

E7 **A**
Well there s nothing that could hold me here

EOr that could keep me away from you

AWhen your loving letter told me

B7That you really loved me true.

Lord above he knows I love you
It was he who brought me through
When my way was dark as night
It would shine as bright as light
When I was trying to get to you.
