What Now, My Love
Elvis Presley
Aloha from Hawaii 1973

C
What now, my love? Now that you've left me,
Dm7 **C**
How can I live through another day,
C
Watch-ing my dreams turn into ash-es,
Dm7 **C** **C7**
And my hopes into bits of clay?

F **G** **Em** **Am**
Once I could see, once I could feel;

F **G7** - **C** **C7**
Now I'm numb, I've become unreal.

Fm **G7** **Em** **Am**
I walk the night without a goal,

F **F6** **G7sus4** **G7**
Stripped of my heart, my soul.

What now, my love? Now that it's over,
I feel the world closing in on me.
Here come the stars tumbling around me,
And there's the sky where the sea should be.

What now, my love? Now that you're gone,
I'd be a fool to carry on;
No one would care, no one would cry
If I should live or die.

What now, my love? Now there is nothing,
On - ly my last good-bye.
On - ly my last good-bye.
