Elvis Presley

C **G7**
Without Him I could do nothing

C
Without Him I surely fail

F
Without Him I would be drifting

C **G7** **C**
Like a ship without a sail

G7
Without Him I would be dying

C
Without Him I feel enslaved

F
Without Him life would be worthless

C **G7** **C**
But with Jesus thank God I saved

G7
Oh Jesus oh Jesus do you know Him today

C **C7**
Please don't turn Him away oh

F **C** **Am**
Je--sus my Jesus

C **G7** **C**
Without Him how lost I would be

G7 **F** **C**
Without Him how lost I would be
