

You Don't Have To Say You Love Me
Elvis Presley

(Fm) Bbm Eb Ab C#
When I said I needed you, you said you would always stay
(C#) C#/Bb Gm C
It wasn't me who changed but you, and now you've gone away

(Fm) Bbm Eb Ab C#
Don't you know? But now you've gone, and I'm left here on my own
(C#) C#/Bb Gm C
That I have to follow you, and beg you to come home

Refrão

F Dm Gm C
You don't have to say you love me, just be close to hand
F Dm Gm C
You don't have to stay forever, I will understand
F Am Dm
Believe me, believe me, I can't help but love you
Bb Gm C (Fm)
But believe me, I-d never tie you down

Bbm Eb Ab C#
Left alone with just a memory, life seems dead and so unreal
(C#) C#/Bb C Fm
All that-s left is loneliness, there-s nothing left to feel
