

Young And Beautiful
Elvis Presley

D **Em7** **A7**
You re so young and beautiful

A **A7** **D**
and I love you so,

D **Em7** **A7**
Your lips so red your eyes that shine

A **A7** **D**
Shame the stars that glow

D **G** **Em7**
So fill these lonely arms of mine

A7 **D**
and kiss me tenderly

D **Em7** **A7**
Then you ll be forever young

A7 **D** **G** **A7** (turn around)
And beautiful to me

D **Em7** **A7**
You re so young and beautiful

A **A7** **D**
You re everything I love

D **Em7** **A7**
Your angel smile, your gentle touch

A **A7** **D**
Are all I m dreaming of

D **G** **Em7**
Oh, take this heart I offer you

A7 **D**
and never set me free,

D **Em7** **A7**
Then you ll be, forever young

A7 **D**
And beautiful to me
