Colourblind Elyar Fox

Please be kind as this is my first post :)
Elyar Fox is amazing and I hope this does his song justice!

Standard tuning Capo 4th

Intro: G C X4

G C

I was sleeping with my heart

tucked under my pillow

G C

Looking at the world through a

G C

G C

blacked out window

3

The last one left she broke my

G C

heart into a million pieces

G C G C

That girl isn't you, no…

G C

You hit my heart got a boombox

G C

feeling (check it out)

G C

Knocked me out now I'm staring at the ceiling G C

מ פ

My colours faded, she brought

CG

them back to life

G C

You let me in and it feels so good inside, yeah

G D Em

Give me you heart girl I'm not gonna let go

D Er

Out of the dark I'm gonna love you retro

C D Em

My lonely days were countless

G D Em

You came my way and now

G. D.

Give me you heart girl I'm not

Em

gonna let go

G. D

Out of the dark $I \hat{a} \in \mathbb{M} m$ gonna love

Em

you retro

G. D. Em

My lonely days were countless

G. D Em

I saw your face and now

G. D. Em

There's no more black and white

For the first time, first time

G. D.

Open up my eyes

Em. D. G G C

Em

And I'm not colourblind

G C

And I'm not colourblind

(Same chords throughout)

Chilling in my sunset laughing till the sun's out JJ Price Tag playing at the background I got a feeling flying through the sky That everything is gonna be just fine

Give me you heart girl I'm not gonna let go Out of the dark I'm gonna love you retro My lonely days were countless You came my way and now

Give me you heart girl $\hat{\text{Ia}}\in^{\text{m}}m$ not gonna let go Out of the dark $\hat{\text{Ia}}\in^{\text{m}}m$ gonna love you retro My lonely days were countless I saw your face and now

Thereâ \in Ms no more black and white For the first time, first time Open up my eyes And Iâ \in Mm not colourblind And Iâ \in Mm not colourblind

Give me you heart girl $\hat{a} \in \mathbb{N}$ not gonna let go Out of the dark $\hat{a} \in \mathbb{N}$ gonna love you retro My lonely days were countless You came my way and now

Give me you heart girl $\hat{\text{Ia}}\in^{\text{TM}}m$ not gonna let go Out of the dark $\hat{\text{Ia}}\in^{\text{TM}}m$ gonna love you retro My lonely days were countless I saw your face and now

Thereâ \in TMs no more black and white For the first time, first time Open up my eyes And Iâ \in TMm not colourblind (noâ \in |) And Iâ \in TMm not colourblind And Iâ \in TMm not colourblind
