Baby, try not to worry you for while(cause)
Lately, I miss the way you use to smile

A G D9/F#

But I m here to hold you up when you re down
Never gonna let you go
Nothing you ever take your way
No, no

(refrão)

Tell you, you re really beautiful oh
Yeah yeah
I done, I see you re share like the world star
Yeah yeah

A C G D9/F#

Relax now, you just me drive you these away
Relax now, you always said that you are okay, oh oh
My love is trying go around, leave me want say
Nothing you ever hold me down
No away
