

**All You Good Good People**  
**Embrace**

Embrace, All you good good people.

Tabbed by Peter Woods, monkey\_crap22@hotmail.com.

[Verse 1]

**G#** **C#** **G#**  
I feel like I meant something you always said you need more time

**F#**  
well I ll stay right here and wait for good until I

**C#** **G#**  
find a love worth mine

[Verse 2: same chords as verse 1]  
Some day you ve got it coming  
it hurts me when I read the signs  
so loud and clear that  
I make you glad when I m leaving first and crying

[Chorus]

**F#** **C#** **G#**  
All you good good people listen to me

**G#** **F#**  
You re just about done with the way that you feel

**C#** **G#**  
cos nothing rings home enough to dig your heels in

**G#** **F#**  
You don t have to leave me to see what I mean

**C#** **G#** **C#**  
All you good good people listen to me

[Bridge]

**F#** **C#** **G#**  
All I wanna do is find my name upon the line,

**F#** **C#** **G#**  
before I have to lose this, I want time

[Chorus - same chord sequence as before]

All you good good people listen to me,  
You re just about done with the way that you feel  
Cos nothing rings home enough to dig your heels in  
You don t have to leave me to see what I mean  
Lose all your fears they are keeping you down  
You don t have to fake it while I m around  
All you good good people listen to me
