Dry Kids by Embrace.
Written by Danny McNamara
Chorded by Tim Bates

This is a B-side on the One Big Family EP and I reckon it s better than the
A-side... anyway see what you think....

The pattern for the verse goes like this:

C#, G#, Bbm, F#

Then for the chorus (what there is of it) the pattern is:

C# Fm, Ebm, F#

Anyway you should be able to pick up the pattern along with the CD... here are
the lyrics to go along with it....

We re dry kids, there s nothing you ve got I want
are you gonna leave
So you keep it locked in, we murder each other every day
knowing we d never be crow-barred apart

And we tried, for so long
to reach eleven on a scale of one to ten
but we never get so far

I m done, you re out of my system learning how to live
with how it feels

And we tried, for so long
to reach eleven on a scale of one to ten
but we never get so far

Me and you, should have never left from the start

Me and you should have never got this far.
