Happiness Will get you in the End - Embrace
Taken from the album - If you ve never been.

Chords by Big-e

My first effort at transcribing any tune. Surely it can t be this easy to replicate such a beautiful tune.
Any alterations welcome.

          D                      G  
I d kill anything that flaps around your head, Darling  
A                      G  
We had so much I don t know where it went, god can  
D                      G  
Strike me down if I m wrong I ll repent, saying  
A                      G  
That Happiness will get you in the end, darling
```

D G A D

```
          D                      G  
Some Psychic gave me words I ve come to dread, she said  
A                      G  
That Happiness would come to you again, oh yeah  
D                      G  
Your fall will break your splashing heart can mend, knowing  
A                      G  
That happiness will get you in the end
```

```
          D  
And my mind is like, a maze  
          G          A  
And I Know the way all around that maze  
          G  
With you next to me  
          D          G          A          G  
But I can t find my way out with you around, please stay
```
