### Embrace

I Can't Come Down- Embrace

p.s: there was nothing I could do about the third line. sorry. but the rest should be fine.

**G** **D** **C**  
When I lost you, I played a part I never really knew  
**G** **D** **C**  
Letting go, was the best thing I could do  
**G** **D** **C**  
Before you turn that knife, you have to say you ll cut me down

I spend my days thinking of you, praying you would think of me
