I told the Devil and the deep blue sea to hide
I thought that you were after them I was right
But it s a picture I ll always keep in mind
Where you say I ve never been even liked
For anything truly mine
                C
And you did it - looking as you are
Looking as you are
             Am
Looking as you are
Looking as you are

You threw away the only thing that I like
And ought tell ya, that things will be alright
It never really seems that way, late at night
