

Natures Law  
Embrace

this is my version of the new hit by Embrace Natuer s law

1st Verse

**Em** **C** **D** .

i tried to fight the feeling the feeling took me down

Bridge

**F**

**Em**

Every day i fight these feelings

**D** **Em**

For your sake i will hide the real thing

Chorus

Em / C / D then same as 1st verse Em / C / D /

then for the middle it s

**G** **D**

i wrote her letters and tried to send them

**Am** **Em** **D** **G** **D**  
in a bottle i placed my hope, and it s the last will of good intentions

**Am** **Em** **D** **Am** **Em**  
Seek your will, you ll give it to me , Don t make me wait

**G** **D** **Am** **Em**  
you build me up , now take down, But i will stand my ground,

**G** **D**  
And i m inspired when i m found

Then a light strum which is Em / C / D

Then the chorus to fade which again is Em / C / D.
