

Give Me Something

Emeli Sandé

G#

I guess I got caught up

Bbm

In the rough and tumble

Fm

Didn't mean to cause no trouble

Eb

C#

G#

At all, at all

G#

I'm just so sick

Bbm

Of the dream they're selling

Fm

It doesn't feel like heaven

Eb

C#

G#

At all, at all

G#

Give me something

C#

Give me something

Fm

Give me something

Eb

C#

G#

I can believe in

G#

Give me something

C#

Come on, give me something

Fm

Please, give me something

Eb

C#

G#

I can believe in

G#

I fell in love with fear

Bbm

Oh God, forgive me

Fm

Have mercy on me

Eb

C#

G#

Oh it's not easy here

G#

And please excuse the mess

Bbm

See, I just wanna feel

Fm

Oh, I mean really, really feel

Eb C# G#

It all, it all

G#

So give me something

Fm

Oh please God, give me something

Eb

Give me something

C# G#

I can believe in

G#

Give me something

Fm

Come on, give me something

Eb

Give me something

C# G#

I can believe in

G#

Oh yeah, you got people

C#

But people change their minds

Fm

And people change their hearts

Eb

With the seasons

G#

And then the songs

C#

They too must end

Fm

So tell me now, my friend

Eb

Where does that leave us?

G#

Give me something

Bbm

Come on, give me something

Fm

Oh please God, give me something

Eb C# G#

I can believe in

G#

Give me something, anything

Bbm

Give me something

Fm

Give me something

Eb C# G#

I can believe in

G#

Give me something

Bbm

Give me something

Fm

I need something

Eb C# G#

I can believe in
