

Lonely

Emeli Sandé

[Intro]

E A x2

Hey, hey

[Verse]

F **Bb**
Well sometimes I get lonely

F **Bb**
And some days you don't know me

C **Dm** **Bb**
And to try explain why I'll be gone by morning

C **Dm** **Bb**
Is like expecting spring to understand the autumn

F **C** **Bb**
So come on, let's stop wasting all our energy

F **C** **Bb**
Let's stop wasting summer on our knees

C **Dm** **Bb**
And don't lie to me, I know you felt the changes

C **Dm** **Bb**
And nothing's new, it's been this blue for ages

F **Bb**
So baby, I'm outta here

F **Bb**
Baby, I'm outta here

F **Bb**
Sometimes I get lonely

F **Bb**
And I wish you'd just hold me

C **Dm** **Bb**
And to try explain why some days hurt more than others

C **Dm** **Bb**
Is like asking rain to sing above the thunder

F **C** **Bb**
So come on, let's stop wasting all our energy

F **C** **Bb**
Let's stop wasting summer on our knees

C **Dm** **Bb**
And don't lie to me, I know you felt the changes

C **Dm** **Bb**
And nothing s new, it s been this blue for ages
F **Bb**
So baby, I m outta here
F **Bb**
Baby, I m outta here

C **Dm** **Bb**
And don t lie to me, I know you felt the changes
C **Dm** **Bb**
And nothing s new, it s been this blue for ages
F **Bb**
Sometimes I get lonely
F **Bb**
Some days you don t know me
